### THE PRESIDENT AND CONFIDENCE

President Wilson, speaking before the Reserve Board, of the bad state of business throughout the country, said: "My feeling about the present situation is this: The only thing lacking is confidence." Guess you are right, Mr. President, but why don't you supply the confidence?

The President continued: "We are more nervous than there is cause for, and if we go about business as if nothing were happening, business would take care of us as we are taking care of it." But, Mr. President, something has happened. You have repealed the protective tariff law and passed an experimental currency law and generally made the future dark, doubtful and uncertain. If it is not your Administration, what is it the people lack confidence in?

### PENDERGAST RETURNS TO G. O. P.

William A. Pendergast, former Comptroller of the City of New York, one of the pivotal lights of the Bull Moose movement in 1912, and the man who placed Theodore Roosevelt in nomination at the rump convention at Chicago in 1912, has returned to the G. O. P., and is stumping Illinois for the Republican ticket.

Noting the calamity following Republican division two years ago, Mr. Pendergast says what we need now is "less of the noise of Armageddon and more plain United States."

THE GENTLE SUFFRAGETTE TAKES FIRST DEGREE

When women vote—ah heavens, how rude some men are when women vote.

They are even rude—some of them—when women register.

She is telling her friends now, this good lady, what the young man in the registration place out some place south of Broadway, said when she went over to qualify for suffrage.

"Your name," he began.

She gave it.

"Where do you reside?"

She told him that.

He looked at her closely.

"Black or white?" he asked.

Her lips closed firmly and she turned and walked out.

"Oh, well, make it white," she heard the young man say as she stepped through the door.

### A WARNING TO MANY

Some Interesting Facts About Kidney Trouble.

Few people realize to what extent their health depends upon the condition of the kidneys.

The physician in nearly all cases of serious illness, makes a chemical analysis of the patient's urine. He knows that unless the kidneys are doing their work properly, the other organs cannot readily be brought back to health and strength.

When the kidneys are neglected or abused in any way, serious results are sure to follow. According to health statistics, Bright's disease which is really an advanced form of kidney trouble, caused nearly ten thousand deaths in 1913, in the State of New York alone. Therefore, it behooves us to pay more attention to the health of these most important organs.

An ideal herbal compound that has had remarkable success as a kidney remedy is Dr. Kilmer's Swamp-Root, the great Kidney, Liver and Bladder Remedy.

The mild and healing influence of this preparation, in most cases, is soon realized, according to sworn statements and verified testimony of those who have used the remedy.

If you feel that your kidneys require attention, and wish a sample bottle, write to Dr. Kilmer & Co., Binghamton, N. Y. Mention this paper, enclose ten cents and they will gladly forward it to you by Parcel Post.

Swamp-Root is sold by every druggist in bottles of two sizes—50c and \$1.00.

### KENTUCKY LEADS OHIO IN BEE CULTURE.

Kentucky bee-keepers have just completed gathering the 1914 honey crop. According to the Bureau of Crop Estimates of the United States Department of Agriculture, the yield per colony of bees was 8 pounds. In 1913 the production per hive was 40 pounds.

The decrease is said to be due to the shortage of the wild flower crop this season.

The latest census figures of the bee and honey industry of this State relate to 1910. That year there were 35,603 farms in Kentucky that kept bees and the total number of colonies was 152,991.

### ENORMOUS SUPPLIES FOR THE EUROPEAN ARMIES.

New York.—Contracts with the British, French and Russian Governments were recently closed by Charles R. Flint & Co., amounting in value to nearly \$30,000,000. They are supplying approximately 9,000 motor trucks, at an average cost of \$2,500 each, and ammunition of the value of \$5,000,000. Drugs, clothing, shoes, horses, mules, foodstuffs, and other articles go to make up the aggregate of what is said in financial and business circles to be the largest contracts ever made between Governments at war and an individual concern.

### CRYING FOR HELP

Lots of It in Maysville But Daily Growing Less.

The kidneys often cry for help. Not another organ in the whole body more delicately constructed. Not one more important to health. The kidneys are the filters of the blood.

When they fail the blood becomes foul and poisonous. There can be no health where there is poisoned blood.

Backache is one of the frequent indications of kidney trouble. It is often the kidney's cry for help. Heed it.

Read what Doan's Kidney Pills have done for overworked kidneys.

Read what Doan's have done for Maysville people.

Lang Stevens, Maysville, Ky., says: "My kidneys were out of order and I had backache, which extended into my kidneys. The kidney action was irregular. Doan's Kidney Pills had been used in my family, so I gave them a trial. They helped me greatly. I am a Maysville people who have gratefully endorsed Doan's Kidney Pills. If your back aches—if your kidneys bother you, don't simply ask for a kidney remedy—ask distinctly for Doan's Kidney Pills, the same that Mr. Stevens had—the remedy backed by home testimony.
